

CHALET MANOE

Splendid 4 star chalet for 12 - outdoor pool & sauna

It's all about the stunning view from the sauna and the outdoor pool at this stylish chalet

About Chalet Manoe ...

Tucked away at the end of the beautiful Manigod valley in Comburce, Chalet Manoe promises complete seclusion, whatever time of year you choose to visit.

This and the breathtaking views of Etale, Mont Charvin, Val Sulens and Tournette are what sold this property to the owners, who then spent a year creating the comfortable and stylish home that it is today.

In winter this idyllic location calls for snow tyres and chains, although the road to the chalet is cleared of snow every day. A 4wd vehicle will also be available for you to drive around in winter (an additional security deposit will be required). There's parking for three cars.

This south-facing chalet has a sunny garden and terrace with a pool and funky "bubble" sauna, and in the summer, it's a great base for walkers and bikers who want to explore the mountains.

It's so quiet, it's sometimes hard to believe it's just 4km to the village of Manigod, where you will find a bakery, as well as a restaurant, and only an hour from Geneva airport.
